#### In Support of Governor Evers' Budget on Medicaid Expansion

WHEREAS, BadgerCare is an important health insurance program, which provides access to health care services for many Wisconsin residents. The current BadgerCare program covers children as well as adults up to 100% of the federal poverty level. Governor Tony Evers' 2019-2021 Executive Budget recommends the use of available federal Medicaid dollars to expand BadgerCare to cover individuals and families with incomes up to 138% of the federal poverty level; and

WHEREAS, this budget plan would allow the State to draw down new federal funds and save Wisconsin taxpayers \$324.5 million and provide health coverage for an additional 82,000 individuals. By requesting these dollars, the State would also be able to access an additional \$1.6 billion in Federal support for health, dental and mental health services for all Wisconsin residents, not just those covered by BadgerCare; and

WHEREAS, the Wisconsin Department of Health Services estimates that 394 Lincoln County residents will be covered by the expansion of BadgerCare with \$10 million in investments in health care in Lincoln County; and

WHEREAS, by accepting the Federal funds, the BadgerCare program will increase service payment rates for hospitals, physicians, dental care providers, dementia care specialists and mental health service providers. The funds will also be used to improve funding for long term care providers to increase pay for personal care workers with Family Care, nursing homes and IRIS (Include, Respect and Self-Direct).

FURTHER, there is significant public support for expansion of BadgerCare in Wisconsin. A recent Marquette University Law School poll (April, 2019) indicated that 70% of Wisconsin residents support expansion of BadgerCare. The Wisconsin Counties Association and other Wisconsin counties have passed resolutions in support of the expansion of BadgerCare. It is also important to note that 26 of the 36 states have approved Medicaid expansion and this number includes all states adjacent to Wisconsin.

NOW THEREFORE, BE IT RESOLVED, that the Lincoln County Board of Supervisors does go on record in support of the expansion of BadgerCare and corresponding health services as described in detail in Governor Tony Evers' 2019-2021 Executive Budget.

BE IT FURTHER RESOLVED, that the Lincoln County Board of Supervisors does go on record to request additional county administrative funding in order to complete the work needed to add and maintain county residents on Medicaid, and

BE IT FINALLY RESOLVED, that the Lincoln County Clerk be directed to forward a copy of this resolution to the Governor of the State of Wisconsin, State Senators and State Representatives representing Lincoln County, the Secretary of the Wisconsin Department of Administration, and the Wisconsin Counties Association for consideration.
