ECONOMIC DEVELOPMENT

Economic Development

Lincoln County Economic Development Corporation is NOT a government organization and is NOT affiliated with Lincoln County (a subdivision of the State of Wisconsin). Lincoln County Economic Development Corporation is a sec. 501(c)(6) nonprofit entity organized under the Internal Revenue Code.

Lincoln County Economic Development Corporation (LCEDC) offers free and confidential assistance in the areas of financial packaging, site planning, business

planning, and workforce development to businesses located in Lincoln County and to those seeking to do business here.

On behalf of our entire community, welcome to Lincoln County, Wisconsin, a diverse County with many resources to offer businesses of all sizes and industries. Our access to major highway and rail systems make our County an excellent gateway to other major markets in the United States and abroad. Additionally, Lincoln County is in close proximity to both two and four-year college systems, hosts a municipal airport, and is within 30 miles of commercial airlines.

The Lincoln County Economic Development Corporation (EDC) stands ready to assist your business to locate to or expand. Whether your need is specialized financing, demographic data, or access to attractive tax incentive programs and other means of assistance, the Lincoln County EDC is ready to serve you.
