CULVERT 81" X 59" X 30'

Bids were opened on Friday, June 30, 2023 @ 3:15 p.m.

Forestry staff present: Dean Bowe. Jeni Burton

Two (2) bid(s) was received, opened and read as follows:

1.	Contech	\$6,579.00
2.	Metal Culverts	\$6,245.00

Hemlock policy:

Due to the decreased marketability of hemlock resulting from pulp mills no longer purchasing hemlock pulp wood, Lincoln County has chosen to amend hemlock harvesting requirements on existing contracts.

Contractors must cut trees deemed necessary to accomplish harvest goals for the stand. Utilization of cut trees is not required but the volume utilized must be paid for at the current bid rate for the sale. Hemlock trees not utilized must be lain flat on the ground with limbs lopped or broken to reduce potential fire ladder situations.

For the foreseeable future, new timber sales will have the same requirements except that the utilization price will not be subject to bidding and will be fixed at \$ 2.00/ton
