Well Water Testing

An unsafe water supply can harm you and your baby. The Health Department has a *free* water test kit for your young family to make sure your well water is safe.

One Free Water Test Kit (\$75 value)

Immunizations

Immunizations help to keep your baby healthy. The Health Department offers low cost immunizations to *eligible families. Call us for more information.

* Eligible families: Uninsured, Children on Medicaid/Badger Care, Native Americans/Alaskan Natives

Cribs For Kids®

The safest place for your baby to sleep is in a crib or Pack N' Play. The Health Department has discounted Pack N' Plays available to eligible families that need a safe place for their baby to sleep.
