1) The information depicted on these maps is a compilation of public record information including aerial photography and other base maps. No warranty is made, express or implied, as to the accuracy of the information used. The data layers are a **representation** of current data to the best of our knowledge and may contain errors. It is not a legally recorded map and cannot be substituted for field verified information. Errors should be reported to the Land Services Department of Lincoln County.

2) From the date we receive your order form, it may take up to 1 month to complete. Payment is due before the map is mailed/emailed or the map is picked up in office. We will call when your map is ready for pickup (if selected.)
