Department Updates

- 1. Corning:** Received grant to get new SCBAs. Updating cascade system. Talking about replacing 6 wheeler. Have passport system is complete for personnel.
- 2. Pine River:** Grant application in for new SCBA and cascade system. Pumper getting fixed. Talking about mutual aid with Tomahawk for Fall Ride week. Five members taking Fire Officer Class starting September 3rd. Passports have arrived.
- 3. Merrill:** Looking at getting new engine and rescue pumper grant through Biermann- include battery operated rescue extrication tool. Conway Shield will be providing a demo/ training September 24th 8am-4pm at Rods Towing. Members are allowed to attend training, let Skoug or Klug know by September 8. Three vendors will be there. Light breakfast and lunch provided. Looking at replacing 6 wheeler. Looking at new ambulance, new one due year 2021. New protocols on ambulance/ paramedics. Just completed hazmat re-fresher. Getting another hazmat monitor multi-rae. Looking at sharing the MSA 4 chamber gas meters reach out to Josh if interested. I am Responding has added 2 tone detect- reach out to Gomoll if you want to the new addition he can help install. Merrill's passports are completed. Chief will send out SOP for passport
- 4. Russell:** New chase on engine. Should be in service around Feb/ March. Most personnel have tags for passport system in use, still in process with equipment.
- 5. Tomahawk:** -

Mutual Aid Box Alarm System

Old Business

1. Submitting cards to LISO Dispatch

A signed letter with all chiefs' signatures will be sent to dispatch as a request for language to formally making the request to utilize MABAS through dispatch.

2. Rehab trailer MOU

*MOU between fire departments for disaster trailer, take back and have legal review for each department.

New Business

- 1. MABAS Radio Drill:** After cards have been submitted to dispatch, looking at least monthly radio drills. Each department take turns, rotate on training nights conducting the drills.
- 2. Drafting locations mapped:** Share drafting sites for mutual aid. All departments have I am Responding- this could possibly be done here.
- 3. Hydrant Issues:** Future hydrant issues within city should be brought to Merrill Fire so they can be aware when city department heads notify them.
- 4. Rave System:** Rave an mass notification/ alerting system can send alerts/ updates through phone and email for MABAS Calls. Rave test went out today. Not all received test, contacts may be old. Contacts will be updated.
- 5. SCBA system:** Coring, Merrill, Pine River have MSA and Russell had Scott SCBAs.
- 6. Receiving a CAD after dispatch:** I am Responding is a hit or miss. Server has been rebutted, problem should be fixed.
- 7. IFERN:** is in the county and dispatch is equipped with it. Scott will follow up with department channels.
- 8. New contact NTC:** Paul Strehlow- reach out Skoug for details.
- 9. Treasure:** Brining JP Robert Caylor in as Treasure. Motioned/ Second (M/S) Murphy/ Gomoll nominated. No other nominations, all present voting aye motion carried.

Next Meeting: December 2nd 6pm.

Adjournment: M/S M. Caylor/ Hoff at 7:35pm.
