McCrank provided update regarding the continued movement of the "Scattered Housing Team" that is in the process of independently formalizing. Krueger informed of Lincoln County being awarded the *Dream Up!* Grant which will go before the Lincoln County Board at the July meeting for approval. The child care team will be driven through this grant process. The "Alternative Housing" group provided updates regarding research done around single person homes (or otherwise known as Tiny Homes); City of Merrill resources currently available designed to assist home owners and home buyers; and landlord lists/case management capacity.
