<b>Truancy Discussion</b>	<b>Group</b>	<b>There was confusion with the document that was emailed from the last meeting as it had Marathon County as a header. Tomahawk created their own document but can put information into a document once they have it. Both Merrill and Tomahawk school staff went over the documents and levels. Widowski thanked Tomahawk for the recent referral letter on a youth, stating it was very informative and helpful. Discussion was had on how many unexcused absences before meeting with ACC, should elementary and middle/high school levels be separated, will families need to sign a release to have information provided to ACC, where would incentives come from, who would be on the ACC, will there be one committee for both Merrill and Tomahawk?</b>	Truancy Discussion again next meeting	Group	TBD
